## DETAILED ACTION

### *Response to Arguments*

1. Applicant's arguments, see pages 12-14, filed July 12, 2007, with respect to claims 1-11, 22, and 23 have been fully considered and are persuasive. The rejections under 35 U.S.C. 101 of claims 1-11, 22, and 23 have been withdrawn.

### *Allowable Subject Matter*

2. **Claims 1-23** are allowable.

3. The following is a statement of reasons for the indication of allowable subject matter:

4. Regarding **claim 1**, the prior art of record does not teach or suggest the feature of transmitting positional data at a higher bit rate than the transmission of audio data, wherein an audio component comprises both the positional data and the audio data. The prior art teaches placing a priority on select audio data, however it does not teach the separation of bit-rates between the positional data, which corresponds to a perceived location in space relative to speakers, and the audio data, which corresponds to the aural content to be perceived. The prior art also does not provide a suggestion to do so.

5. **Claims 2-9 and 22** are allowable because they depend on claim 1.

6. Regarding **claim 10**, the prior art of record does not teach or suggest the feature of transmitting a first set of spatially processed data over a data link at a bit rate lower

Art Unit: 2615

than the subsequent or simultaneous individual transmission of audio components, wherein an audio component comprises both the positional data and the audio data.

7. **Claim 11** is allowable for the same reason as claim 1.
8. **Claim 12** is allowable for the same reason as claim 1.
9. **Claims 13-19 and 21** are allowable because they depend on claim 12.
10. **Claim 20** is allowable for the same reason as claim 1.
11. **Claim 23** is allowable for the same reason as claim 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
